Sun Lighting: ONLY Tucson Showroom Up for National Award

Tucson, AZ - Every genre of art has its own version of the Academy Awards. For the home decorating accessories industry, the ARTS Awards are big time! ARTS, or Accessories Resource Team, are the true who's who of the lighting and accessory world. This year is the 18th annual ARTS Awards and they are presented by the Dallas Market Center, the world's largest wholesale merchandise resource. Tucson's own premiere lighting and accessory showroom, **Sun Lighting**, has been announced as a nominee.

Being nominated for an ARTS Award is the honor of all honors in the industry for Sun Lighting, which was announced as a finalist in the Lighting Showroom category. Finalists are required to submit a detailed company portfolio consisting of company history, philosophy, product development, marketing, merchandising and customer relations. Portfolios will be judged by the best in the industry in November during a two day session. Winners will be announced at the ARTS Award gala January 20, 2007 in Dallas, Texas.

Background:

Sun Lighting is celebrating its 53rd anniversary this year. The store boasts an elegant 13,500 square foot showroom highlighting more than 100 of the top manufacturers' lines including Schonbek, Kichler, Minka and more. In addition to traditional and contemporary lighting for both indoor and out, Sun Lighting also carries fans, furniture, accessories, glass art, silk flowers and more – all of the touches needed to make a house a home.

Sun Lighting is also recognizable from having been recently featured on the nationally syndicated home improvement show, TLC's Trading Spaces.

Sun Lighting is located at 4545 E. Broadway Blvd., just west of Swan. They can be reached by phone at 322-4303 and on the net at www.sunlighting.net.
